TURTLE POWER

MODEL P101

SAFETY TURTLE BATTERY PACK
AND TRAVEL BAG

www.safetyturtle.com

DESCRIPTION

Turtle Power is a rechargeable battery pack which provides power to the Safety Turtle Base Station at locations where AC power is not available or is intermittent. Its accompanying Travel Bag is a customized weatherproof enclosure for the system. Parents can now rely on Safety Turtle as their last line of defense anywhere and at any time their child [or pet] is exposed to a water hazard; e.g., at the beach, cottage, campsite, boat, hotel, condo or resort pool.

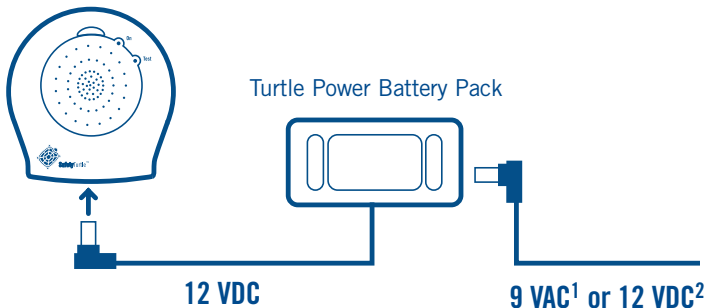

BATTERY PACK

- Battery operates for 9 hours on a full charge.
- Base Station provides audible low battery warning.
- Battery can power Base Station while being charged.
- Battery can be charged using Base Station's AC adapter or accessory cigarette lighter adapter.
- LEDs indicate charging and ready.

TRAVEL BAG

- Transports and stores your Safety Turtle and accessories.
- Protects the Base Station and Battery Pack from the elements, and from damage during transport.
- UV resistant see-through window makes the Base Station's LEDs and button visible and accessible.
- The long, adjustable strap can be used to elevate the Base Station for best coverage, e.g., hang on a tree branch, etc.

Safety Turtle Base Station
